

## **SCHOOL BOARD MEETINGS**

All meetings of the Board of Trustees for Laramie County School District #2 shall be announced and advertised as required by Wyoming Statute. The Board will direct the release of meeting dates, times, locations, buildings and communities as required by statute and policy of the district. Information concerning regular meetings and the committee of the whole meetings will be advertised twice each school year.

Special meetings with not less than eight (8) hours-notice may be called at any time by the clerk upon the request of the board chairman or any two members of the board. Action at special meetings will be limited to statute guidelines.

The chairman may call an emergency meeting to take temporary action on a matter of serious, immediate concern without notice. However, a reasonable effort will be made to notify the public of the meeting. Action at emergency meetings will be limited to statute guidelines.

All meetings of the Board are open to the public and press except for executive sessions.

Because all powers of the Board of Trustees lie in its collective actions as a group individual board members exercise their authority over district affairs only as they take action at a legal meeting of the Board.

In other situations, any individual board member, including the chairman, shall have the authority to act only when the Board has delegated that authority to him or her.
