

## **POLITICAL CAMPAIGNING IN SCHOOLS**

The Board of Trustees of Laramie County School District No. 2 upholds the right of individuals within the school district to participate in the political actions of our democracy. It is expected that the profession of a particular political viewpoint or the participation in partisan politics or campaigns will be done outside the school context. Use of computers or telephones or distribution of flyers will not be permitted in order to promote or distribute political viewpoints. Advertisements in school publications for political purposes will not be allowed.
