

GRADUATION EXERCISES

Graduation exercises will be held for students who have met state requirements for the completion of high school. Students who have met all state and district requirements for graduation will be awarded a diploma. Students who have not met all graduation proficiency requirements may be awarded a certificate of achievement if they have completed the required number of credits.

Participation in high school commencement exercises is encouraged but is not compulsory. Students may not participate in commencement exercises or activities unless they have successfully completed all the requirements for a diploma or certificate of achievement prior to the ceremony. Any exceptions must be approved by the building administrator and the superintendent.
