

ENTRANCE AGE

A pupil may register in the first grade in the public schools of this district in the year in which his/her sixth birthday falls on or before the fifteenth day of September, and he/she may enroll in kindergarten in the year in which his/her fifth birthday falls on or before the fifteenth day of September, according to the provisions of Wyoming Education Code 21-4-301, 302.

A child who has legally completed kindergarten in another state and moves into Laramie County School District No. 2 will be allowed to enter grade one even though the child has not attained the sixth birthday by September 15.

A child who has legally entered kindergarten or grade one in another state and transfers to Laramie County School District No. 2 will be allowed to continue in that grade even though he/she was not of legal age to enter the appropriate grade level in Wyoming.
