

Student Records

An accurate cumulative record shall be maintained for every child enrolled in the schools of Laramie County School District #2. Data in the cumulative record shall be factual and objective. The cumulative records shall be limited to identifying data, academic work completed, level of achievement, attendance data, health data, standardized test scores, disciplinary records involving suspension or expulsion, and family information.

Parents shall have an opportunity for a hearing to challenge the content of their child's school records, to insure that the records are accurate, not misleading, or otherwise in violation of the privacy or other rights of students, and to provide an opportunity for the correction or deletion of any inaccurate, misleading, or otherwise inappropriate data contained therein.

Access to a student's cumulative record shall be limited to authorized school personnel, eligible students, parents and legal guardians of the student. Any other access will require a subpoena or the written permission of the parent or legal guardian.

Whenever a student has attained eighteen years of age, or is attending an institution of post secondary education, the permission or consent required of and the rights accorded the parents of the student shall be accorded to the student.

District officials will forward transcripts and disciplinary records involving suspension or expulsion from the cumulative record upon the request of a bona fide educational institution with whom the student intends or is instructed to enroll, parent, legal guardian, or the student if he has attained eighteen years of age or is attending an institution of post secondary education.

With the exception of the high school transcript, high school grade reports, and attendance records, all material in the student cumulative record shall be destroyed five years after the student has or would have completed the 12th grade in the school district.
