Face coverings required at all LCSD1, LCSD2 activities, sporting events

Heading into the winter activity season, Laramie County School Districts 1 and 2 have developed procedures to help prevent the spread of COVID-19.

In addition to existing protocol such as social distancing and enhanced cleaning, face coverings must be worn by all parties who are attending, working or participating in an activity or athletic event in person. The face coverings must be worn over the nose and mouth throughout the duration of the event.

According to LCSD1 Superintendent Dr. Boyd Brown, the only exception to this rule is that students may remove face coverings when engaged in strenuous activity or during recovery phase (cool down).

“Our goal is to allow students the opportunity to participate and to complete the season with a culminating event,” Brown said. “We believe whatever we can do to reduce exposure and reduce the chance of people being quarantined should be utilized.”

This change allows the districts to comply with Statewide Public Health Order #4, which addresses the use of face coverings.

LCSD2 Superintendent Jon Abrams said the districts’ protocol takes the order a step further by requiring face coverings to be worn at all times regardless of exemption.

“Those who are unable to wear a face covering or choose not to wear one can still watch LCSD1 and LCSD2 events via livestream,” Abrams said.

Directions for accessing livestream events is available on the LCSD1 website, www.laramie1.org under Featured Items. The winter activities plan is also posted here. LCSD2 COVID-19 updates are available at www.laramie2.org.
