

# Patron Comments

Laramie County District 2 would like to welcome all students, parents, employees and community members to our meetings. Board meetings are conducted for the purpose of carrying out the official business of the school district. The meetings are not public forum meetings, but are meetings held in public. All meetings, except executive sessions, will be open public meetings.

As your elected representatives, we make decisions that will affect our school and community. Your Board of Trustees takes their responsibilities very seriously and are committed to proper preparation and making sound decisions. If you have any concerns feel free to contact your local representative to discuss your concerns. The Board of Trustees welcomes visitor and patron comments.

This is a listening time for the Board. If you would like to provide us with information about a specific item on tonight's agenda, please complete the registration form at the bottom of the page. Give the completed form to our recording secretary so that the Board Chairman may call on you before the Board deliberates the item, these comments need to be limited to 5 minutes and be informative, factual and concise. Each group should choose one spokesperson. The Board may ask questions of those speaking; but unless the issue discussed is an agenda matter, the Board will normally not take action on non-agenda items.

We as a Board ask that you refrain from comments about litigation, or personnel. The board chairman will maintain the prerogative to discontinue any presentation which violates any of the public participation guidelines.
